

## Welcome to WeSTOC 30

The WeSTOC 30 Disorganization Individual and the WeSTOC Emeritus Council takes pleasure in welcoming you to Cedar City Utah, the latest gathering of the WeSTern Clans of the STOC nation. We all hope you have a great, and safe, time in Utah! Below is a schedule and helpful information regarding our time together.

### Noteworthy Things & helpful information

- Do not lose your name badge/tag – it has valuable stuff in it! The name badge is your ticket into the events and includes a door prize ticket. We will not have the means to reproduce it if the tag is lost or destroyed.
- If you need assistance in an emergency, please contact a WeSTOC 30 Host or hotel staff member for help. We will try our best to help/assist you. We'll have a recovery trailer available if needed (**Bob Hampton 951-491-3924**)
- The registration/map room will be opened at 7AM, during the day and evening hours until 9 PM, for the entire event. It is a good place to meet up with fellow riding partners and discussions.
- First time WeSTOC participants have a green badge holder. PLEASE, introduce yourself and make them feel welcome!
- Members of the WeSTOC Emeritus Council have red badge holders or markings and should be held in high esteem at all times. Bowing is not required, but buying them a beverage is encouraged.
- Please keep in mind that by registering for WeSTOC, you acknowledge that you and you alone are responsible for your own safety, well-being, and fun while at the WeSTOC event. YOU assume ALL risks associated with attending this non-event.
- Finally, please keep in mind that the WDT members are volunteers for this non-profit event. WDT members have worked many hours to make our WeSTOC experience as enjoyable as possible. While suggestions are welcome, whining will be cheerfully ignored!

If you have questions about activities, restaurants, rides, or the event, please ask :
